

## **SBA Paycheck Protection Program What to Keep in Your Files**

The Small Business Administration (SBA) and Treasury Department are requiring every borrower to keep these specific documents in his or her personal files in the event they ever decide to audit the loan file. Make sure these documents are kept together in a secure location where they can be found easily in the future.

Please notice that item 5 below requires that all of these documents be kept in your possession for a minimum of 6 years after the date the loan is forgiven or paid in full.

1. Documentation supporting the certification that annual salaries or hourly wages were not reduced by more than 25 percent during the Covered Period or the Alternative Payroll Covered Period relative to the period between January 1, 2020 and March 31, 2020. This documentation must include payroll records that separately list each employee and show the amounts paid to each employee during the period between January 1, 2020 and March 31, 2020, and the amounts paid to each employee during the Covered Period or Alternative Payroll Covered Period.
2. Documentation regarding any employee job offers and refusals, refusals to accept restoration of reductions in hours, firings for cause, voluntary resignations, written requests by any employee for reductions in work schedule, and any inability to hire similarly qualified employees for unfilled positions on or before December 31, 2020.
3. Documentation supporting the certification, if applicable, that the Borrower did not reduce the number of employees or the average paid hours of employees between January 1, 2020 and the end of the Covered Period (other than any reductions that arose from an inability to rehire individuals who were employees on February 15, 2020, if the Borrower was unable to hire similarly qualified employees for unfilled positions on or before December 31, 2020). This documentation must include payroll records that separately list each employee and show the amounts paid to each employee between January 1, 2020 and the end of the Covered Period.
4. Documentation supporting the certification, if applicable, that the Borrower was unable to operate between February 15, 2020 and the end of the Covered Period at the same level of business activity as before February 15, 2020 due to compliance with requirements established or guidance issued between March 1, 2020 and December 31, 2020 by the Secretary of Health and Human Services, the Director of the Centers for Disease Control and Prevention, or the Occupational Safety and Health Administration, related to the maintenance of standards of sanitation, social distancing, or any other work or customer safety requirement related to COVID-19. This documentation must include copies of the applicable requirements for each borrower location and relevant borrower financial records.
5. All records relating to the Borrower's PPP loan, including documentation submitted

with its PPP loan application, documentation supporting the Borrower's certifications as to the necessity of the loan request and its eligibility for a PPP loan, documentation necessary to support the Borrower's loan forgiveness application, and documentation demonstrating the Borrower's material compliance with PPP requirements. The Borrower must retain all such documentation in its files for six years after the date the loan is forgiven or repaid in full, and permit authorized representatives of SBA, including representatives of its Office of Inspector General, to access such files upon request.
